User Help

SmsPlus™

login

go to SMSPLUS login page. enter your username and password then click on login button

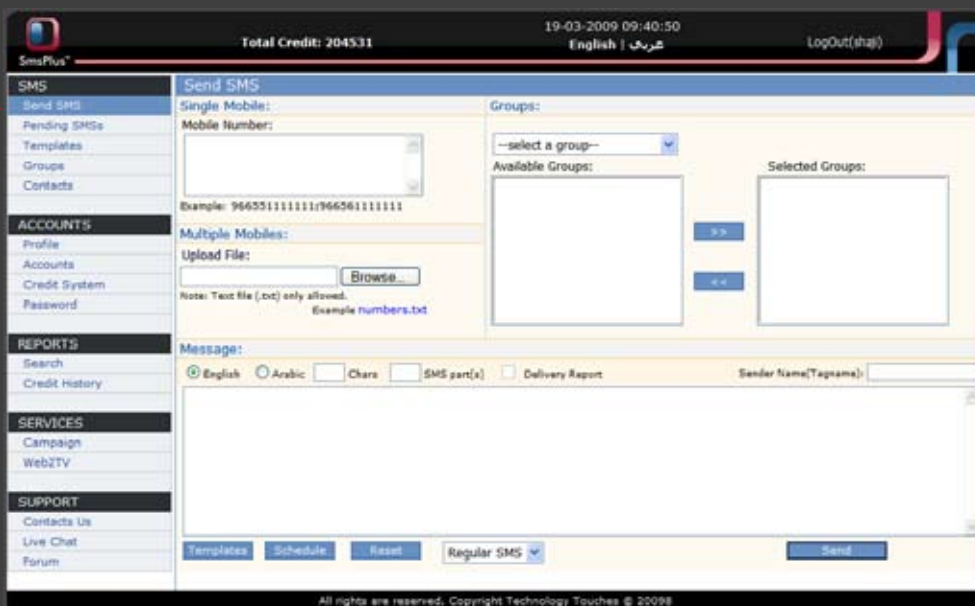

The screenshot shows the login interface for the SMSPLUS system. At the top left is the 'Technology TOUCHES' logo. At the top right are links for 'Help | ContactUs | English'. Below these are two input fields: 'Username' and 'Password'. A 'Login' button is positioned to the right of the password field. In the bottom left corner, there is a small 'SmsPlus™' logo.

after that you'll login to the main page

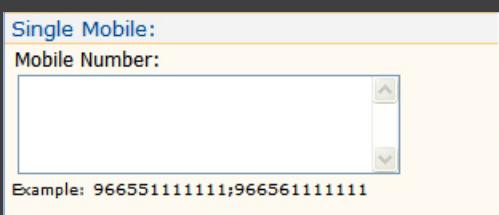

menu

to open send sms page click on send sms button

to send a sms enter the mobile number here.
if there is more than one number but (;) between the numbers.

then type your text here and type here sender name , should be approved from STC (necessary to enable).

User Help

click on add group
